

AIR SPRING CATALOGUE

SHANDONG HONGGUANG RUBBER TECHNOLOGY CO.,LTD.

Shandong HongGuang Rubber Technology Co.,Ltd is one of the leading manufacturers. Take the advanced technology and materials, professional in developing and producing completed sizes of air springs and air suspensions. Located in the hometown of MoYan, the winner of Nobel Prize for Literature -----Gaomi,Shandong. Near to the beautiful tourist city and famous harbour – Qingdao, west of world-famous international kite city – Weifang. G20 Expressway across from west to east ,very superior and convenient.

Company registered capital is US DOLLAR 2100000. Company covers area of 50,000 square meters totally, its workshop construction area of 4,0000 square meters. The products are mainly exported to US, European Union and other countries. Also do OEM for many domestic and famous car manufacturers. Product quality meets international standards, passes ISO/TS16949, in line with ISO14001 International Environmental Certification standards, achieves low-carbon successfully. The product has passed antifatigue and anti flame retardant test. Many sizes developed by our R&D group have applied for technical monopoly.

The company firmly takes “Quality and Sincerity” as soul, Adheres to market-oriented, Based on excellent service, Goal as customer demands, Aim to supply safe and practical products. The company vigorously advocates the idea of “Quality is Character, Quality is Life” . All staff obey professional conduct, Think highly of quality, Guarantee the products’ safety, practicality and economy. Reliable for customers , Return to society .

In future, our company will constantly innovate technology ,craftwork and materials, develop fashionable products and meet customers’ demands.

Shandong HongGuang Rubber Technology Co.,Ltd all staff are expecting to coopertate with all friends to achieve a brighter prospect hand in hand!
